

Halsey Carpenter Rinehart
 June 11, 1914 – November 30, 1990

Halsey was many things in his life: teacher, farmer, storekeeper, town clerk, insurance agent, and student of biology and history. His pastel drawings represent his attempt to preserve and communicate the landscapes and the stories that were important to him, to his family, and to the community.

The Halsey Rinehart Greeting Cards Fundraiser

Schmitt Woodland Hills has been blessed with a collection of Halsey Rinehart pastel drawings depicting some of his favorite and notable places in the Richland County Area. There are 24 drawings in the collection which we have remounted and framed to show in several gallery-like settings both on campus and as a traveling show. We are pleased with the donations from the Richland County Historical Society helping us in the preservation of this colorful historic record from Richland County's past.

Our development committee has had these works professionally photographed allowing them to be recreated as collectable greeting cards and we are offering both the 1st and 2nd edition of four pictures as a fundraiser. Each greeting card includes a short story about the drawing on the back. These beautiful cards make wonderful gifts for the holiday season and are suitable for framing.

A four-card assortment of one copy of each work can be had for a donation of \$6.00 or a set of eight cards, two copies of each print, is available for \$11.00. There is a \$2.00 charge for cards needing to be shipped. These fine greeting cards can be obtained at the front desk at Schmitt Woodland Hills, or by contacting Barbara Harvey of the Development Office at (608) 647-8931, by mail to Schmitt Woodland Hills Attention Development Office, or by e-mail at swhdev@mwt.net.
